

Art Competition

"The World always seems better, when you have just made something that wasn't there before".

Art is as varied as the life from which it springs. Every child portrays a different aspect of the world through Art. Art is a subject of expressing some great aspects of life and to give it depth and meaning. It's not something that it is confined to the paper and colour, it is much more beyond. Keeping this in view, we have come up with yet another competition this month, where students present their creative minds through Art and painting..

Here is what they all need to do.

-  They are given the choice to paint either an umbrella / stone / Crockery.
-  The student must choose any one object that he or she wishes to paint.
-  Once chosen the child has to inform his or her teacher, the object of his/her choice through the Class Whatsapp group on the dates mentioned below.

 Once completed with his or her work, they will have to upload their work within 10 minutes on Microsoft Teams.

Kindly note down the following details related to the competition and the materials required for the same.

Date of the competition: 20th Sept' 21

Venue : Microsoft Teams

Timings: During the School Hours

Materials Required: Acrylic colours, paint brush, newspaper, rag, bowl of water, tooth pick, match stick, cotton buds or Mandela art tool, pebbles/crockery/umbrella small size black – white, yellow (plain color).

Entries must be sent on the Class Whatsapp group in the following Format:

Name of the Student: _____

Object Chosen (Pebble/Umbrella/ Crockery): _____

The Class Whatsapp group will be kept open for entries on 15th Sept' 21 & 16th Sept' 21.

Kindly note that the parents can be a helping hand to their child, but they **must not** complete the work on behalf of their child and present it.
